### REASONS FOR ALLOWANCE

1. The applicant's remarks filed April 27, 2004 has been found persuasive over the rejection set forth in the Office action sent December 22, 2003.

2. The following is an examiner's statement of reasons for allowance:

The limitations of a computer system and method for remotely monitoring and dynamically changing the operation of a computer game (or computer application) executing on a first computer while the computer game is executing (or computer application), the computer game (or computer application) comprising computer code, the system and method comprising the steps of: establishing a network connection between a first computer and a remote second computer; issuing a command from the second computer to modify the computer code of the computer game while the computer game (or computer application) is executing; modifying the computer code of the computer game (or computer application) at the first computer while the computer game is executing; and continuing to execute the computer game at the first computer in accordance with the modified computer code without ceasing execution of the computer game (or computer application), in combination with other presented limitations, are neither disclosed nor taught by the art of record.

Claims 1-21, therefore, are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The drawings filed on September 25, 2000 are acceptable subject to correction of the informalities indicated on the attached "Notice of Draftsperson's Patent Drawing Review," PTO-948. In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Binh-An D. Nguyen whose telephone number is 703-305-5713. The examiner can normally be reached on Monday-Friday.
